The Girl Scouts would like to invite families with toddlers to 5th grade and children with special needs to trunk or treat in a fun and safe environment without all the long walking.

Collecting candy at every car will be a festive experience as you stroll through our Halloween fun and spooky car line up. Girl scouts and volunteers will be in costumes to put you in the Halloween spirit.

Your donation will help support our troop in domestic traveling experiences to broaden the girls ideas, and dreams of becoming a well rounded citizen in society.

We appreciate your generosity.
